Como, Italy, April 20, 2016 /DESIGNPRWIRE/

A' International Design Accolade is happy to inform that the furniture work **Harmony by **Ela Pincu** has been awarded with the coveted A' Design Award at **Furniture, Decorative Items and Homeware Design Competition** Category.**

Furniture, Decorative Items and Homeware Design Category A' Design Award Winner

A' Design Award and Competition is encouraged to announce that the design Harmony by Ela Pincu has been awarded with the coveted A' Design Award in Furniture, Decorative Items and Homeware Design Category selected as one of the winners by the respected jury members of the A' Design Awards & Competitions amidst numerous submitted works.

Winner Design: Harmony

Ela Pincu, the creative mind behind the award winning furniture project Harmony demonstrates "Harmony, is a hydroponic growing system, designed to grow a variety of :Fruits, vegetables, flowers, spices & herbs. Our goal was to create an easy-to-use, low cost product which can be accessible for a wide variety of users. Harmony is designed and manufactured as one piece. This simplifies the assembly of the product which can now be bought as a DIY product. Furthermore, having a one piece product, prevents leaking and dirt. Harmony Save up to 90% of the land and 80% of the water. It's allows you to grow and eat healthier food Even if you live in an urban area with no garden.
